

DeLuxe Stitcher DB Series Heads

The DB45

The DeLuxe Stitcher DB45 is the latest addition to the Company's line of reliable and versatile replacement Heads for almost every model of Muller-Martini*, Osako* and Purlux* Saddle-Stitching machines.. With its 45 mm center to center distance, this slim line Stitcher Head can be a great addition to any bindery. The DB45 is perfect for two, three or four-up work, when closeness counts.

The DB45 has a stitching capacity from two sheets to 3 mm, a crown size of 10 mm and a built-in Paper Centering Guide. The DB45 accommodates round wire sizes 25 through 28.
